

## **Eboracum Newsletter 2017**

Another Trials year has come to an end; a mixed year with entries on the decline.

The Two-Day Charity Trial went ahead and we raised in excess of £2000. Next year all, being well, it will run over the weekend of 20<sup>th</sup>, 21<sup>st</sup> and 22<sup>nd</sup> April 2018. An easy 'beginners' trial will take place on Friday night; the Two-Day proper on Saturday and Sunday, with two routes as per previous years. So come along and make a weekend of it, camping through to Monday if required.

There will be a full complement of trials next year to suit all abilities, come and give us your support and bring your mates to ride or observe – we always need observers. I would like to thank everyone who has helped, in any way, with the running of our events; landowners, observers, etc.

We always need people to come and put flags in, its no good leaving it to the 'faithful few' as one day we will have run out of them and then there will be no trials, so please get in touch if you would like to help in any way, it's usually laid out on the day of the event anyway.

That's my bit from the soapbox thanks.

This year's Presentation and Dinner took place on Friday 1<sup>st</sup> December at New Earswick Indoor Bowls Centre York; this was a new venue and a successful evening with everyone enjoying themselves.

This was the last Presentation Night that I am going to organise, so we are looking for someone to take it on preferable someone local.

Membership renewal 2018 – please download the form from the website, we are not posting forms this year: [www.eboracummotorcycleclub.co.uk](http://www.eboracummotorcycleclub.co.uk)

It only remains for me to thank you for your support at our events and look forward to seeing you all next year.

Yours in sport  
Rod Drake  
Club secretary
