

## Eboracum Newsletter 2018

Another Trials year has come to an end; a mixed year with entries on the decline.

The Two-Day Charity Trial went ahead at a new venue this year, Spaunton Quarry, and we raised approximately £2000. Next year all, being well, it will run over the weekend of 19<sup>th</sup>, 20<sup>th</sup> and 21<sup>st</sup> April 2019. An easy 'beginners' trial will take place on Friday night; the Two-Day proper on Saturday and Sunday, with two routes as per previous years. So come along and make a weekend of it, camping through to Monday if required.

There will be a full complement of trials next year to suit all abilities, come and give us your support and bring your mates to ride or observe – we always need observers.

I would like to thank everyone who has helped, in any way, with the running of our events; landowners, observers, etc.

We always need people to come and put flags in, its no good leaving it to the 'faithful few' as one day we will have run out of them and then there will be no trial, so please get in touch if you would like to help in any way, it's usually laid out on the day of the event anyway.

This year's Presentation and Dinner will take place on Friday 7<sup>th</sup> December  
Price £12.00. Two course dinner with Vegetarian option.
